*Thank you for making an appointment with our office for cardiological evaluation. I have also enclosed an information sheet for you to complete and bring with you to your appointment. It would also be beneficial to the physician if you would bring a list of your current medications with you to your appointment.*

*There are numerous insurance plans and Medicare replacement plans. If your insurance **requires authorization** to be seen by a Specialist, then you will need to be sure that your authorization is complete **prior** to your appointment. Most of these insurance plans require a co-payment for office visits. We will collect your co-payment at the completion of your appointment. If you have any questions regarding authorization, please call Lisa Jenkins at extension 2306.*

*If you have any questions, please feel free to call us at the above number and we will be more than happy to answer any of your questions regarding your insurance. If you have questions specifically regarding your appointment time, or location, please call our scheduling department at 407-351-5384 , extensions 2205, 3002 or 2204. You can also reach our scheduling supervisor at extension 2240. We look forward to meeting you.*

*Sincerely,*
